

Elephant Lovie Pillow Instructions:

1. Hoop one layer of cutaway stabilizer.

Place a 6x8" piece of fleece on top of stabilizer, centered.

Place a 6x8" piece of minkie or flannel on top of fleece and stabilizer, centered.

Stitch first color to secure.

2. Stitch second color (elephant body stitching).

Stitch third color (eyes).

3. Stitch sixth color (peanuts).

4. Place a 6x8" piece of silky or satin fabric on top of design, FACE DOWN, covering entire design completely.

Stitch final color to secure.

Remove from hoop. Trim around perimeter of design leaving approximately 1/4-1/2" seam allowance. Clip curves and corners well. Turn right side out. Stuff as desired. Stitch small opening closed.

You're finished!
