

## 5x7 Ice Cream Cone Pocket Wrap

NOTE: The elastic will fit most standard dvd cases. It can be lengthened though to accomodate larger dvd cases.

1. Hoop one layer of stabilizer.

Stitch first color (gift card wrap fabric placement outline).

Cut 2 6x14" pieces of fabric and fold in half and press so they are 6x7".

Place one piece of folded fabric on top of wrap outline so folded edge is even with top horizontal straight stitching line.

Stitch second color to secure.

2. Stitch third color (cone fabric placement outline).

Cover outline completely with a piece of fabric.

Stitch fourth color to secure.

Trim fabric close to stitching.

Stitch fifth color (satin stitching).

Stitch sixth color (ice cream scoop fabric placement outline).

Cover outline completely with a piece of fabric.

Stitch seventh color to secure.

Trim fabric close to stitching.

Stitch eighth color (scoop satin stitching).

Stitch ninth color (decorative stitching).

3. Stitch 10th color (elastic placement outline).

Cut a 6" piece of 1 inch wide elastic.

Place one end of elastic centered over left hand elastic placement outline so approximately 1/4" of elastic extends outside design and remainder of elastic is inside design.

Stitch 11th color to secure.

Repeat with other end of elastic on right hand side.

Tape elastic securely down INSIDE design perimeters (it can be folded over itself in the center

so it fits) so presser foot does not become entangled in future steps.

Stitch 13th color to secure.

5. Place second piece of folded fabric on top of design so folded edge is even with previously placed folded edge.

Stitch final color to secure.

Remove from hoop. Trim around perimeter of design leaving approximately 1/4" seam allowance. Trim excess stabilizer from opening of pocket.

Turn right side out. Slip over dvd and fill pocket.

You're finished!
