

5x7 Horizontal Reindeer In A Row Eco Bag Instructions:

You will need 2 pieces of 8 1/2" hook and loop fastener (Velcro) - 1 with the rough side, and 1 with the fluffy side:

You will need 2 pieces of fabric cut and folded in half and pressed:

12x9" folded to 6x9"

Side Back:

1. Hoop one layer of tearaway stabilizer.

Stitch first color (fabric placement outline).

Place a piece of folded fabric on top of fabric outline covering completely, with folded edge even with straight top edge of design.

Stitch second color to secure.

2. Stitch third color (velcro placement outline).

Remove hoop from machine and place Velcro piece UNDER hoop with smooth side touching fabric, centered over velcro placement outline. Tape in place along long length on both sides of velcro.

Replace hoop and stitch fourth color to secure.

Remove from hoop and remove tape and stabilizer from back piece.

Side FRONT:

1. Hoop one layer of tearaway stabilizer.

Stitch first color (fabric placement outline).

Place a piece of folded fabric on top of fabric outline covering completely, with folded edge even with straight top edge of design.

Stitch second color to secure.

2. Stitch third color (velcro placement outline).

Remove hoop from machine and place Velcro piece UNDER hoop with smooth side touching fabric, centered over velcro placement outline. **(Make sure you use the opposite piece of velcro as used in the front piece. Example: Use the rough piece on one and the fluffy piece on the other.)** Tape in place along long length on both sides of velcro.

Replace hoop and stitch fourth color to secure.

3. Stitch fifth color (first reindeer fabric placement outline).

Cover outline completely with a piece of fabric.

Stitch sixth color to secure.

Trim fabric as closely to outline as possible being careful not to cut stitching or fabric underneath.

Stitch seventh color (satin stitching and second reindeer fabric placement outline).

Cover outline completely with a piece of fabric.

Stitch eighth color to secure.

Trim fabric as closely to outline as possible being careful not to cut stitching or fabric underneath.

Stitch ninth color (satin stitching and third reindeer fabric placement outline).

Cover outline completely with a piece of fabric.

Stitch 10th color to secure.

Trim fabric as closely to outline as possible being careful not to cut stitching or fabric underneath.

Stitch 11th color (satin stitching).

Stitch 12th color (eyes).

Stitch 13th color (smiles).

Stitch 14th color (two noses).

Stitch 15th color (middle nose).

Place back piece on TOP of hooped design so folded edges are even and side seams match up.

Stitch final color to secure.

Remove from hoop and remove tape and stabilizer.

Trim around perimeter of bag leaving approximately 1/4" seam allowance.

I like to use pinking shears to prevent fraying.

Turn right side out and press.

You're finished!
